

WW2

LC- Can I understand why WW2 started and what involvement Hitler had?

Green pen task and comment

How did the Second World War start?

In **1918**, **Germany lost World War One**. Britain, France and America won World War 1. Germany had to give up land and was banned from having any army of its own.

Germany had to pay lots of money to Britain and France for starting the war. By **1928 Germany** had almost **no money**. There was no work for anyone and many people were starving.

Blame

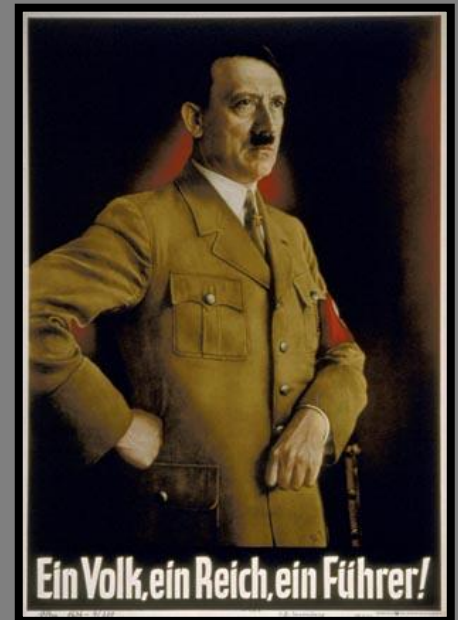

Poverty

Hunger

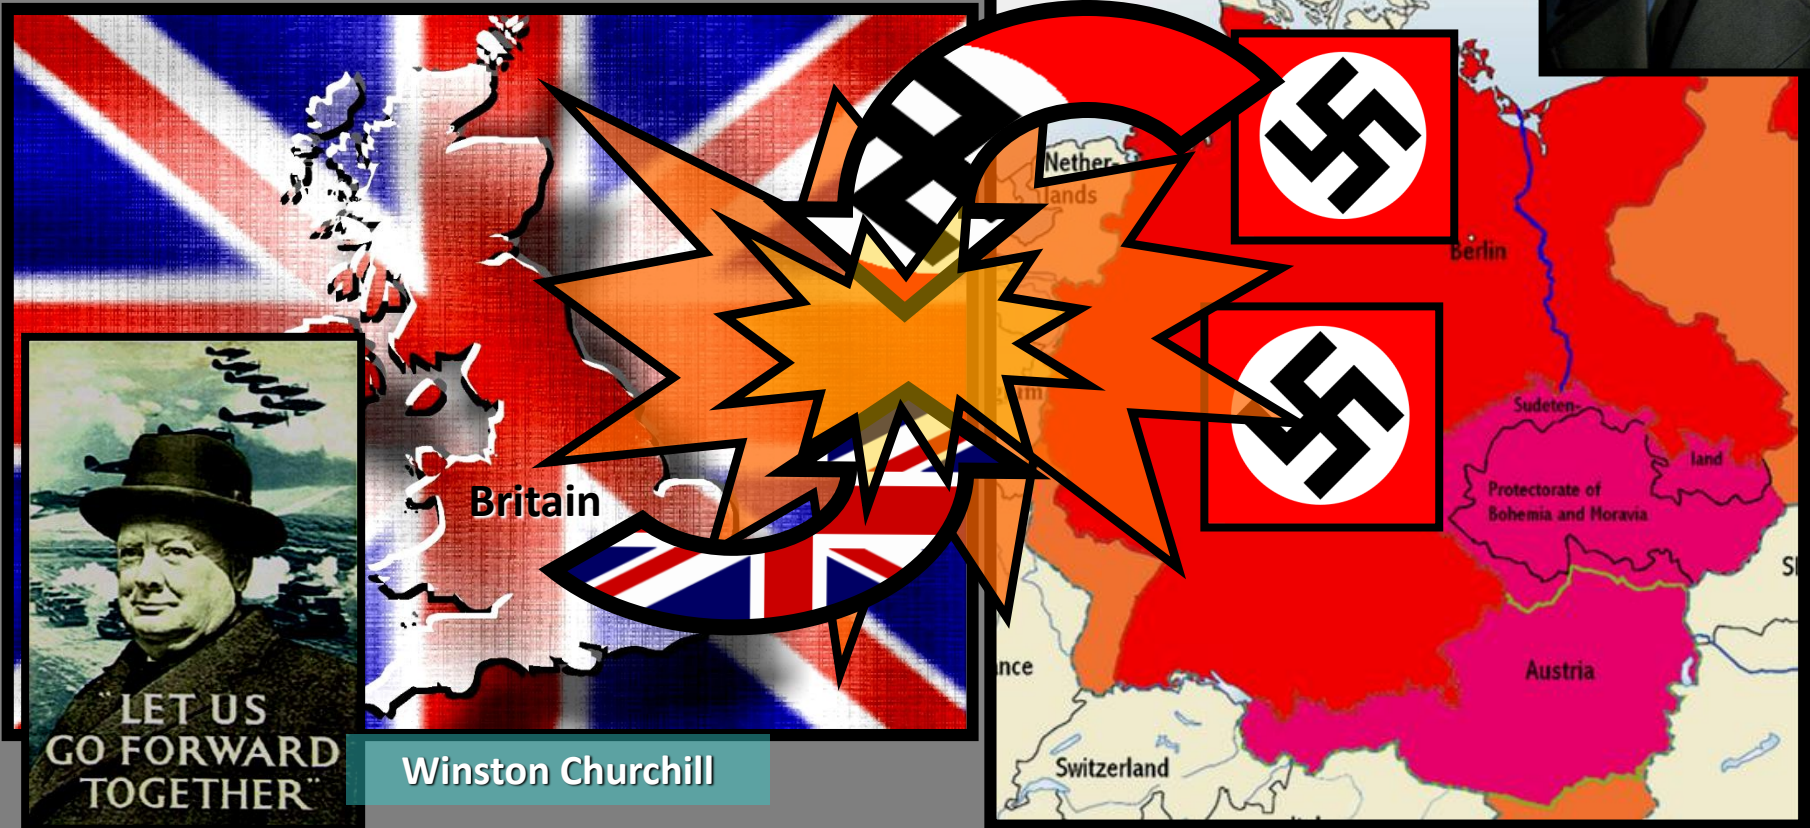

In **1933** a man named **Adolph Hitler** became the leader of the German government and the **leader of Germany**. He had **big plans** for his country and started to **build up** Germany's strength by putting people **back to work** building, making and becoming a **fit and healthy** people.

He also started to build up a **huge army** – but Germany had been banned from doing this – it was **illegal**. By **1935 Germany** had become one of the **strongest** and most **powerful** countries in the world. But Hitler believed the **German people** were the **best in the world** – he believed that they were **superior** to anyone else. **Hitler wanted Germany to rule the world.**

In 1939, Germany invaded Poland. In response, Britain declared **WAR** on **Germany**. The next year, **Winston Churchill** became **Prime Minister** of Britain. He took charge of **defending Britain** against Germany. **Hitler** wanted **Germany to invade Britain** and so he ordered thousands of **bomber planes** to drop **bombs** all over **Britain**.

Winston Churchill

Why did WW2 start?

After Germany lost the first world war to Britain and its allies. Germany had to pay a fine of.....

As of this Germany quickly went into..... Which meant people were.....
