June 22nd

Dear Diary,

By the way I didn't know what I was thinking! But yes I was their climbing up the big Volcano which held the dragon. All I kept thinking was how am I going to kill this dragon?

However when I reached the top my heart pounded as I saw what I was facing.

Just a I was about to run away, I noticed a large flock of cackling magpies overhead and thats when the dragon woke up. There I was stood frozen to the spot. But I don't know what it was but something came over me! I felt the urge to strike my dagger an I new what the target was.

**THIS STORY WILL BE WRITTEN IN MAI LINGS POINT OF VIEW!
WE WILL BE USING THESE QUESTIONS TO
HELP US PLAN OUR STORY**

Dragon Slayer

**What person will we
be writing in?
We will be writing in..**

**We are going to plan our
story mountain through
the use of questions!**

HOW CAN WE USE QUESTIONING?

Where did you first see the Ogre?

I had heard that the ogre was in the forest so I walked in looking for signs. This was easy - the ogre is huge and it had made a great deal of mess knocking down trees as it made its way through the forest. I was following it but soon it stopped to rest in a small clearing. I climbed a tree and concealed myself in the branches.

**IN PARTNERS CAN YOU ANSWER THESE
QUESTIONS AS MAI LING?**
