

What was the consequence of the event in the text?
Write your answer in the space below. The first box has been completed for you.

Wind Runner brought his own specially chosen white rocks.

Consequence ...

The rocks that Wind Runner chose were too heavy, which made them difficult to carry up the mountain. This made the journey hard work. Wind Runner was consequently exhausted and thirsty before the vigil had begun.

Wind Runner climbed past the first clearing to the very top of the mountain for his Vision Quest.

Consequence ...
