

Chinese New Year.

Chinese New Year, also known as the Spring Festival, is the main Chinese festival of the year. As the Chinese use the lunar calendar for their festivals the date of Chinese New Year changes from year to year. The date corresponds to the new moon (black moon) in either late January or February. The spring festival celebrates the start of new life and the season of ploughing and sowing

Carry out some more research about the Chinese New Year and create an informative poster.
