The Hot Cross Bun

Many of us apreshiate a tasty treat and, in addition to being the subject of a popular children's rime, the iconic hot cross bun is a familear feature in bakeries around Easter time.

We all rekognize the hot cross bun by its distinctive cross, which is said to represent the Christian simble.

Ackording to some stories, the hot cross bun came into existance after a 14th-century monk added the cross to the top.

Queen Elizabeth I attatched great significance to hot cross buns and it was aparent that she viewed them as being more important than the averidge bun. The famous monarch even ordered that they could only be sold on Good Friday or Christmas! This may have caused contraversy at the time.

Nowadays, it is no longer necessary to wait until these special dates to enjoy a hot cross bun; many people seize the opurtunity to enjoy a toasted hot cross bun, whatever the time of year.
