JUNE

Friday

For me, summer vacation is basically a three-month guilt trip.

Just because the weather's nice, everyone expects you to be outside all day "frolicking" or whatever. And if you don't spend every second outdoors, people think there's something wrong with you. But the truth is, I've always been more of an indoor person.

The way I like to spend my summer vacation is in front of the TV, playing video games with the curtains closed and the lights turned off.

Bonnie bluebird flew,  
Away into the blue,  
After she waved to her mother.

Mommy cheeped 'Bye bye',  
To her birdie in the sky,  
And returned to the nest for another.

Dear Mary,

How are you? I'm very well. I didn't write earlier because I was very busy.

I like my new home. It is a lovely house. I have a big bedroom looking over the garden. I helped Mummy paint the bedroom walls yesterday. We chose a pretty yellow colour.

A boy called Mark lives next door. He is the same class as me at school. Mark is very good at sports and English. He likes animals just like we do, but even more. He says he is going to be a vet when he grows up.

I am still thinking about being a writer. Do you want me to send you the story I am writing when it is finished? It is all about animals having adventures.

Write back soon. I am really looking forward to hearing all your news.

Love,  
Jenny.
