WHAT ARE ADVERBS?

Adverbs are used to modify verbs. They tell us when, where, how, in what manner, or to what extent an action is performed.

Can you think of any examples?

Adverbs

Then one misty, grey night it was time for me to see what was in this mysterius box. I crept out of bed tiptoeing across the creaky floorboards. The wind whistled through the window. I looked around. My heart thumpt with excitement. I stretched my hand my fingertips just brushing the lid. I was so close. The noise was getting louder and louder. let me out! they cried. my breathing was deep. I was about to lift the catch when.....

SHOULD WE ALWAYS DO AS WE ARE TOLD AND FOLLOW INSTRUCTIONS?

I think that we should do what we are told because...

Pandora was given a very simple instruction.

What was it?

Because she ignored it, there were terrible consequences!

Now, as well as her many qualities, Pandora brought with her a box, which Zeus commanded her never, ever to open. Epimetheus also urged Pandora to obey the gods and never open the casket.

PANDORA WAS GIVEN A VERY SIMPLE INSTRUCTION!

We are told simple instructions all of the time!

Can you think of some examples?

Please pick up the wrapper!

Stop swinging on your chair!

Some instructions also give us advice or information!

CAN YOU WRITE YOUR INSTRUCTION ON A POST IT NOTE?

PANDORA WAS GIVEN A BOX, WHICH ZEUS
COMMANDED HER NEVER TO OPEN BECAUSE
THERE WAS SOMETHING INSIDE!

What could have Zeus
done or told her to
stop opening the box?

More detailed instructions!

Sometimes more detailed instructions
make you remember more!

A SET OF INSTRUCTIONS THAT SHOULD HAVE GIVEN TO PANDORA WHEN HAVING THE BOX HAS BEEN FOUND!

Would these instructions stop Pandora from opening the box?
Why?

I think that these instructions would/would not stop her from opening the box because..

Instructions for Pandora

- First of all carry the box very carefully to your house. Do not shake it or drop it as it contains things that must never be freed!
- When you get the box home, find a room to hide it in.
- Finally, whenever your curiosity gets out of control, put your head underneath a pillow.

HOW COULD WE IMPROVE THESE INSTRUCTIONS?

Where could she hide the box to keep it safe?

How will she stop the voices in her head?
