

## Timetable - Mrs Mansell's group

	<u>Spellings</u>	<u>Maths</u>	<u>Reading</u>	<u>Writing</u>
<b><u>Monday</u></b> <b><u>30.11.20</u></b>	Practice reading and spelling the words ending in 'tion'.	Complete the activity, choosing a planet number, and subtracting a star number from it. Then complete the 'think' question. You might want to use the 1-200 number square to help you with your work this week.	Read 'A Space Adventure'. Answer the questions about it.	Read your story from last week about Bob meeting the new alien friend. (Look back at last week's resources to refresh your memory if needed!) Edit your writing with a different coloured pen. Think about: <ul style="list-style-type: none"> <li>• Have you used the correct punctuation?</li> <li>• Is there anything which you could add in/change?</li> </ul> Then, write a final draft of your story neatly in your best handwriting! You could choose some fancy paper to write on from the selection saved with this week's resources.
<b><u>Tuesday</u></b> <b><u>1.12.20</u></b>		Complete the subtraction questions by counting back in 10s and using number facts to help you.	Practice the 'oo' sound (poo at the zoo) with the video: <a href="https://www.youtube.com/watch?v=dCnTmBiLfmU">https://www.youtube.com/watch?v=dCnTmBiLfmU</a> Read and discuss 'The foolish witch'.	Look at the PowerPoint of front covers from different stories. Think about what they include (e.g. the title of the story, a picture of the main character, the author's name, sometimes the illustrator's name too etc).
<b><u>Wednesday</u></b> <b><u>2.12.20</u></b>		Complete the addition sums, adding the petal numbers from each flower. Then complete the 'think' question.	Practice the 'oo' sound (look at a book) with the video: <a href="https://www.youtube.com/watch?v=qH-9XQsksEc">https://www.youtube.com/watch?v=qH-9XQsksEc</a> Read 'The foolish witch' again. Answer the questions about it.	Design a front cover for your story. Think about what you will need to include (e.g. the title of your story, a picture of Bob and the alien, your name).
<b><u>Thursday</u></b> <b><u>3.12.20</u></b>		Choose 2 items to buy from the shop. Add their prices together. Do this 10 times. Can you estimate what the total will be, before working it out?	Choose a book to read on Bug Club. Answer the questions about it.	Look at the PowerPoint of examples of blurbs. Remember, the blurb is the text on the back of a book which tells you a bit about the story. Write your own blurb about your story. Use the sentence starters to help you.
<b><u>Friday</u></b> <b><u>4.12.20</u></b>	Complete a spelling test of some of the words ending in 'tion'.	Complete the sums, adding 10p and 1p coins. Then complete the 'think' question.
