

Year 4 Class 6

GCP Home Learning lessons

It is unfortunate that you are again learning from home. We have given you this pack to help you continue your learning until you come back into school. It is for 10 days, or two weeks (Monday to Friday only). There is one maths activity and one literacy activity for each day. The Study book for maths will help you to understand what you have to do in the question booklet.

REMEMBER to keep reading, using BUG club and practice your tables, using TT Rockstars.

See you soon,

Ms Jackson and Mr Ellis.

<u>Day</u>	<u>Maths Study Book</u>	<u>Maths Targeted Question Book</u>	<u>Literacy</u>
1	Study Book page 6 - Ordering and Comparing Number - Read all the information on this page.	Targeted Question Book - Page 10 and 11 Complete the questions on these pages. EXTN: Using the digit cards in your pack, make up two, 3 or 4 digit numbers. Write them down and use < or > to compare them. (Example: make 3749 and 5168 - write as $3749 < 5168$)	<u>Grammar, Punctuation & Spelling Book</u> Page 4 and 5 - Nouns and Adjectives Read the information at the top of the page before completing the questions. EXTN: Using what you have learnt from the two pages write simple sentences that have both a noun and an adjective in them. (Example: The brown dog. / The clever boy.)
2	Study Book page 7 - Rounding - Read all the information on this page.	Targeted Question Book - Page 12 and 13 Complete the questions on these pages. EXTN: Using your digit cards.
