

Timetable – Mrs Mansell’s group

	<u>Spellings</u>	<u>Maths</u>	<u>Reading</u>	<u>Writing</u>	
<u>Monday</u> <u>7.6.21</u>	Practice reading and spelling the words ending in ly.	Complete the activities, finding the totals of the coins and then drawing the coins needed to make the amounts. <u>EXT</u> : Answer the ‘think’ question.	Read ‘Rapunzel’ and discuss the text with someone in your house. Answer the questions about it.	This half term we are going to be reading a story all about robots! Over the next two days, your task is to design your own robot. Think about what he/she might look like, and what special skills they might have. If you don’t have any split pins, you could just glue the parts of the robot together. You could also create your own robot using junk modelling! Look at the pictures for inspiration for the kinds of robot that you could make.	
<u>Tuesday</u> <u>8.6.21</u>		Solve the questions, adding and subtracting the amounts of money using place value to help you. <u>EXT</u> : Answer question 17.	Practice the oy and oi sounds. Then read ‘The jar of oil’ to someone in your house. Discuss what the story is about.		
<u>Wednesday</u> <u>9.6.21</u>		Write the missing amounts of money. <u>EXT</u> : Answer the ‘think’ question.	Read ‘The jar of oil’ again. Write a book review about the book. Remember to give reasons for your opinions!		Look at the picture of the story and discuss what it is about, with someone else in your house. Then, imagine what your robot would look like and do. Tell your story to the person working with you. Then write a short blurb about what your story is about. Use the sentence starters to help you.
<u>Thursday</u> <u>10.6.21</u>		Complete the addition and subtraction questions. <u>EXT</u> : Answer the ‘think’ question.	Choose a book to read on Bug Club. Answer the questions about it.		Read the story ‘A tale of two robots’ and talk about it with someone else in your house. Then answer the questions about it.
<u>Friday</u> <u>11.6.21</u>		Complete a spelling test of the some of the words that you have practiced this week.	Complete the addition and subtraction questions using partitioning. Challenge: Answer the word problems (questions 21+22) <u>EXT</u> : Answer the ‘think’ question.		Choose a book to read on Bug Club. Answer the questions about it.
