

There are four books in this pack:

1. Maths targeted study book- This book gives instructions for tasks and should be used together with the targeted questions book.
2. Maths targeted questions- You will complete the tasks in this book after reading instructions in the study book.
3. Grammar, punctuation and spellings- You will have a task to complete from this book every day. See time table.
4. Comprehensions- each comprehension text will be completed over two days. See time table.
5. Some of the lessons are supported by online lessons from National Oak Academy trust and BBC Bitesize.
