

Little Acorns to Mighty Oaks

Year 4 Science

Why is the sound that Little Mix makes enjoyed by so many?

Key questions

- LC1: What caused that racket?
- LC2: How do your ears work?
- LC3: What do we mean by the pitch and volume of the sound?
- LC4: Does sound have the same intensity the further you go away from the source?
- LC5: Could you be the next X Factor star?
- LC6: What do we know about the way telephones work and how have they changed over time?
- LC7: Reflection: A performance in the style of an X Factor talent show but with a strong emphasis on why some may prefer one source of music as opposed to another.
