

Jack and the Beanstalk

Jack and his mum lived on a farm.

They had no food.

"Sell the cow," said his mum.

Jack went to the market. He met an old man.

“I will sell the cow for some little beans,”

said Jack.

Jack's mum **was** cross.

"**You** got **some** little **beans** for the **cow!**"

she **said**.

Jack planted the beans.

They started to grow.

A beanstalk started to
grow.

The beanstalk was as
high as the moon!

Jack started up the
beanstalk.

Soon Jack saw a castle.

It was spooky!

He went into a big room.

There was a giant with a bag of gold coins.

“I am in a bad mood! I can smell a boy!” said the giant.

Jack hid and the **e**

Jack left with the **e**

“There are some gold coins for you mum,”
said Jack. He started up the beanstalk.
