

Research the Maya and space – use these subheadings to direct your research. When you have enough research, create an information page about what you have learnt. You must cover the following points but the names of your subheadings, order and title can be your own. Include pictures and decorations.

Eg.

Maya to the Moon!

Introduction about how the Maya were fascinated with space

Maya and the Sky

What did the Maya believe about the sky? Why was it important to them?

Sun and Moon

Both incredibly important to the Maya, research why and explain

The Planets

What did the Maya learn about the planets?

Picture

Architecture and Astronomy

How did the Maya buildings link to the stars?
What did the Maya learn about astronomy?
