

1) In your book, draw a table. Then sort the statements into the correct place

*We need to pray for forgiveness.*

*Praying is just talking to yourself*

*Everyone should be treated fairly*

*Science is more important than religion*

*Jesus died to take our sins away*

*It is our job to look after those in need*

*Humans were not made any more important than animals*

*Earning money is not the most important thing in life*

*One day, God will make everything better*

Christians believe	Christians and Humanists believe	Humanists believe

2) Once you have finished, can you add your own ideas?

3) In your book write down which two ideas you agree with most and why. Which idea do you disagree with most? Why?
