

Lesson 13

LC: Can I write a postcard as a character from the story?

At the beginning of the story, we find out that Cherry is on holiday in Cornwall. Using the information that you learn from the start of the text, I would like you to write a postcard as though you are Cherry explaining what you are doing on holiday.

You might want to include:

- A short description of the setting
- Explanation of things that you are doing
- Reference to family
- Any feelings or emotions

Remember that postcards are not long. You need to be brief and informal but still grammatically correct.

There is a postcard template provided, or you can write your postcard in your pink books or submit it digitally.
