

Suitable Summary?

Read the short passage of text and then the summary given. Decide whether the summary is true or false based on the text you have read. If it is false, explain why.

On the border they knew that raiders would come to ravage the land. So, on the banks of the winding river, they built a mighty castle.

Summary: Raiders built a castle on the banks of the river.

True False

If it is false, explain why: _____

Around it, a wide moat, four towers with battlements and spurs; walls as deep as a warrior is tall and arrow-slit eyes.

Summary: The castle had thick walls, towers and a moat.

True False

If it is false, explain why: _____

A barbican straddled the castle's mouth, gated with an iron portcullis; it's edge like gnashing teeth, falling to trap attackers inside.

Summary: Attackers were trapped by the barbican's sharp teeth.

True False

If it is false, explain why: _____
