Learning objectives

- 1** I know that not everything online is trustworthy
- 2** I can recognise some of the differences between fact and opinion
- 3** I can make decisions about what I trust online using clues

What is **trust**?

Trust is...

You can rely on
someone /
something.

Trust is...

You believe that
someone or something
is telling you the truth.

Where do you go to look at **online content**?

Can we **trust** everything we **see** online?

5 minutes

Task

Sort all the things you can see online into the following table based on whether you think they are trustworthy.

Trust	Can't trust	Not sure
-------	-------------	----------

Images Comments Blogs Facts

Links Hashtags News Quizzes

Websites Videos Maps

Search engines

Challenge - can you think of any of your own?

How **trustworthy** is it?

10 minutes

Task – Good game?

You will need to rank the next 5 sources of information and decide which is the most trustworthy.

- Which source gives the best and most accurate account of the game?

The new Roblox for Xbox One is rubbish!!!!!!

I tried the new roblox on Xbone today and it's really bad. It hardly lets you do anything and some of the controls you would usually use don't work.

I think the graphics didn't look the same either.

Don't waste your time on this one!!

Woody (Tom Hanks), a good-hearted cowboy doll who belongs to a young boy named Andy (John Morris), sees his position as Andy's favorite toy jeopardized when his parents buy him a Buzz Lightyear (Tim Allen) action figure. Even worse, the arrogant Buzz thinks he's a real spaceman on a mission to retur... [More](#)

Critic reviews

When a genius like Lasseter sits at his computer, the machine becomes just a more supple paintbrush. Like the creatures in this wonderful zoo of a movie, it's alive! [Full review](#)
Richard Corliss · Time

Just perfect. Script, character, animation...this manages to break free of the yoke of 'children's movie' to simply be one of the best movies of the 90's, full-stop. [Full review](#)
