You will need:

- Wooden spoon
- Wooden craft stick
- Craft foam
- Fabric glue
- Acrylic paint
- Craft foam
- Wiggle eyes
- Ribbons

Instructions:

Paint the wooden spoon and leave to dry.

Cut a nose and spikes from craft foam and glue these to the back of the spoon.

Stick on two wiggle eyes.

To make the body cut a length of ribbon and lay it flat on your work surface. Cut shorter lengths of ribbon and glue them across the main ribbon all along the length.

Stick a craft foam triangle onto one end to be the body to be the tail.

When all the glue is dry stick the tail end of the body to the craft stick and the other end to the wooden spoon.
