Lakshmi

Lakshmi is the goddess of money and good luck in Hinduism. She is the wife of the Hindu god Vishnu. Most Hindus pray to her on Diwali, which is a festival in India. Lakshmi has four arms, fair skin and sits on a lotus flower and is normally surrounded by elephants. She is covered in jewellery. She also has several avatars (means a god coming to the earth in the form of a human being or in any other form) who are usually married to Vishnu's avatars:

- Sita, wife of Rama
- Radha, the lover, and Rukmini, the first wife and queen of Krishna
