

Week beginning 13th July 2020
FINAL WEEK

Days		
Monday	Plan a maths game using addition and subtraction. (think about snakes and ladders)	Create a menu for a picnic with your family.
Tuesday	Create your maths game and make it colourful.	Draw and design a plate of food for your picnic.
Wednesday	Design a colour by numbers picture using multiplication. For example $2 \times 5 = 10$ $10 = \text{green}$	Write a poem about yourself for your new teacher so that they know all about you. Decorate this making it bright and colourful.
Thursday	Create a 2D shape picture using as many shapes as you can.	Create a word search using words about the Summer. For example Hot, beach, paddling pool
Friday	Make a junk model castle and decorate it.	Think about your favourite book. Draw a scene/event from this book. Write a sentence explaining why it is your favourite book.
