

Hello Year 3 children and parents,

Hope you are all safe and looking after each other. I know it is strange and we miss having all of you in school but hopefully we will soon be back to normal having fun and doing lots of learning.

There are lots of activities on the website and you having your packs that you took home and there is work on Purple Mash and Bug club so you should have plenty to keep you busy. Remember the important thing is that you and your families are safe and well at home.

Take care

Love

Mrs Kennedy, Mrs Quiles, Miss Probert and Mrs Mansell
