How to make a jam sandwich

On your paper write a list headed:

You Will Need

Underneath it write down what you need to make a jam sandwich.
There should be 5 things.

These instructions are in the wrong order.

Work out the right order then copy them out correctly:

- * Use the knife to spread butter on one side of both slices of bread
- * Place two slices of bread on the plate
- * Cut the sandwich into four squares or four triangles
- * Spread jam on top of the butter on one of the slices
- * Eat and enjoy your sandwiches while they are fresh.
- * Take the slice of bread with no jam on and put it on top of the jammed slice.
- * The buttered side should go on top of the jam.

Finally, draw a picture of the jam sandwich to go with your instructions.
If you think any other pictures would be helpful, draw these too.
