

# Coming Back to Palfrey Junior School

Soon some of you will be coming back to school.

When you come back, things will be a bit different. But don't worry, this is to keep you safe and well during this time of Covid 19. If you are in Year 6, the Government have decided that it is important that you come back to school so that you can catch up on your education before you go to secondary school. If your parents are key workers, it is important for you to come to school so they can do their jobs helping and caring for people.

You will not be with all of your class but in a small group with some children from your class, a teacher and a teaching assistant. This will be your BUBBLE. Your BUBBLE will have its own start and finish times, so the time you come into school and go home again will be different too. Your BUBBLE won't be in school all week either. You will have your own special day.

Your BUBBLE will be together for all of that day.

You might not be with your normal teacher or teaching assistant - but they will all be people you already know so you don't need to worry.

The rooms will look a bit different - the tables will be spaced out and will have your own pencil, crayons, whiteboard, pen and things like that so you won't have to share! You don't need to bring any books or equipment from home.

Everyone will need to bring a packed lunch and some drinks so you won't go into the hall for lunch.

You will eat this in your BUBBLE's room. Your BUBBLE will even have its own toilet!!

You will still get to go outside to play but only with the people in your BUBBLE.

You will not need to wear your school uniform, but you must wear clean clothes every day.

Of all the sensational 1972 styles, THIS is the GREAT ONE! Never have we seen a suit more dramatic . . . more flattering . . . more certain to make every dress occasion one to remember! Two-tone elegance, capped by the removable 17" ruffle down the front of the shirt — AND matching 17" removable ruffles on each leg! Luxurious silky fabric of 90% acetate, 10% nylon. Slacks are bonded to 100% Nylon Tricot and have 21" flare bottoms. 3" Continental waistband; slash back pockets, and those great ruffles that button on or off!

Because of the Covid 19, you will need to wash your hands a lot more during the day to help keep everyone safe.

# Wash Hands

It will be great to be back in school and see you friends again but you must remember to try to keep a space between each other. This is called social distancing and you might have heard about this. It is an important way of stopping the infection spreading from one person to another, so do you best to keep apart from other. You can still be friends even though there is space between you !!

We know everyone is a little bit worried about coming back to school. But all the teachers, teaching assistants and other children are really looking forward to seeing you again. If we can all help each other to stick to the new rules, we can keep safe and learn at the same time.

KEEP

CALM

AND

WE WILL SEE

YOU SOON
