

<p><b><u>Monday</u></b></p>	<p><b><u>Maths</u></b>          Today you are going to be looking at measuring length to the nearest centimetre. Read the PowerPoint and find 6 different objects to measure in your house. Record the length of the objects in cm.</p>	<p><b><u>Guided Reading</u></b>          Read the text. Underline any vocabulary you do not understand and use a dictionary to find the meaning.</p>	<p><b><u>Literacy</u></b>          Today you are going to be looking at inverted commas. Read through the PowerPoint to learn how to use inverted commas. Today you are going to think about what the characters in the story might say about the incident with the seagulls. Have a look at the task sheet.</p>	<p><b><u>Spellings:</u></b>          On the website - practice them each day. Look up the meaning of any words you do not understand.          Choose a few words from the list each day and use them in a sentence.</p>	<p><b><u>Science</u></b>          Today you are going to research fruit and the climate/temperature needed to grow these fruits. The fruit that you will be researching is: Apples, Blueberries, Mangoes Plums, Kiwi and Melon. You also need to research the country of origin.</p>
<p><b><u>Tuesday</u></b></p>	<p><b><u>Maths</u></b>          Today you are going to estimate and measure different lengths. First you need to estimate the length of your forearm and foot in cm. Then you need to estimate the length of somebody else's forearm and foot in cm. Once you have done this you need to measure and record the length of the forearms and feet you have measured.</p>	<p><b><u>Guided Reading</u></b>          Have a look at the questions, underline the important parts of the questions.</p>	<p><b><u>Literacy</u></b>          Over the next two days you are going to be planning the headline and lead paragraph of your report. Have a look at the 'How to write a newspaper report' PowerPoint. Remember you are going to be writing a newspaper report about Mr and Mrs Grinling defeating the seagulls. Read the information about the headline and lead paragraph of the report and plan your own.</p>	<p>Choose a few words from the list each day and use them in a sentence.</p>	<p><b><u>RE</u></b>          Complete the RE activity.</p>

<u>Wednesday</u>	<u>Maths</u> Today you are going to drawing a line for a given measurement. You need to use your ruler to draw a line and make sure the line is the correct length.	<u>Guided Reading</u> Look at the questions and highlight the answers in the text.			<u>French</u> Have a look at the website at the bottom of the timetable. <u>Computing</u> Complete the computing activities on Purple Mash.
<u>Thursday</u>	<u>Maths</u> Today you are going to be looking at measuring capacity. If you have some measuring jugs at home, have a look at them and have a close look at the scales. Complete the worksheets.	<u>Guided Reading</u> Using the work you have done on the previous days, answer the questions about the text.	<u>Literacy</u> Over the next two days you are going to plan the main body of your report. Read the 'How to write a newspaper report' PowerPoint and look carefully at the main body section. You need to give the reader more information in this section and also include a quote from Mr and Mrs Grinling. You also need to think about the picture and caption that you are going to use.		<u>Topic</u> Today you are going to be having a look at the Cadbury family. Read the information about the Cadbury family and answer the following questions. Who was John Cadbury and why is he important to the people of Birmingham? When was the brand 'Cadbury' created? What does Cadbury have to do with the Industrial Revolution? How did he play an important part in the Industrial Revolution in Birmingham?
<u>Friday</u>	<u>Votes for School</u> Read through the PowerPoint and discuss what you would vote.	<u>Maths</u> Today you are going to continue to look at capacity and volume.		<u>Spellings</u> Test children on the spellings.	<u>Art</u> Have a go at sketching a blossom.
