

<p><u>Monday</u></p>	<p><u>Maths</u> Today you are going to be looking at equivalent fractions. You need to look for fractions which are equal. For example, $1/2 = 2/4$. Use the fraction wall to find as many equivalent fractions as you can.</p>	<p><u>Guided Reading</u> Read the text. Underline any vocabulary you do not understand and use a dictionary to find the meaning.</p>	<p><u>Literacy</u> Today we are starting a new text. We are going to be focussing on non-chronological reports. Today you need to read the text and look at the vocabulary.</p>	<p><u>Spellings:</u> On the website - practice them each day. Look up the meaning of any words you do not understand. Choose a few words from the list each day and use them in a sentence</p>	<p><u>Science</u> Today you are going to be looking at the relationship between the sun and the moon. You need to research how the sun and moon are connected. Complete the table using the research you have found out.</p>
<p><u>Tuesday</u></p>	<p><u>Maths</u> Today you are going to be placing fractions on a number line.</p>	<p><u>Guided Reading</u> Have a look at the questions, underline the important parts of the questions.</p>	<p><u>Literacy</u> Today you are going to be looking at the features of non-chronological reports.</p>		<p><u>RE</u> Complete the RE activity.</p>
<p><u>Wednesday</u></p>	<p><u>Maths</u> Today you are going to be finding fractions of amounts. Remember to divide the number by the denominator and times it by the numerator.</p>	<p><u>Guided Reading</u> Look at the questions and highlight the answers in the text.</p>	<p><u>Literacy</u> Today you are going to be looking at different types of sentences. You need to read the PP and then sort the sentences into simple and complex sentences.</p>		<p><u>Computing</u> Complete the computing activities on Purple Mash.</p>
<p><u>Thursday</u></p>	<p><u>Maths</u> Today you are going to find fractions of amounts using arrays.</p>	<p><u>Guided Reading</u> Using the work you have done on the previous days, answer</p>	<p><u>Literacy</u> Today you are going to be making notes. Make sure you think carefully about what</p>		<p><u>Topic</u> Create a poster about everything you have learnt about volcanoes this term so far.</p>

		the questions about the text.	you are writing as these will help you to write your non-chronological report next lesson.		
<u>Friday</u>	<u>Votes for School</u> Read through the PowerPoint and discuss what you would vote.	<u>Maths</u> Today you are going to be looking at right angles.	<u>Literacy</u> Today you are going to start to write your first draft of your non-chronological report. Think carefully about the features we looked at on Tuesday and use your notes to write the report. You will be continuing with this on Monday.	<u>Spellings</u> Test children on the spellings.	<u>Art</u> Today you are going to use the sketch from last week and paint your reflection of light on the water. If you do not have paint at home, try sketching a different picture.
