

Gingerbread Cardboard-Tube Character

You will need:

- Small cardboard tubes x2
- Felt-tip pens: black, red, green and pink
- Small red pom-poms x3
- Scissors
- Pencil
- Glue stick

1) First, use the scissors to cut the first cardboard tube open.
Flatten it out with your hand.

2) Next, use the pencil to draw the shape of a gingerbread person onto the flattened cardboard tube.
Note: we have used a black felt-tip pen so that the outline is clearer in the photograph.

3) Neatly cut around the outline of the gingerbread person with scissors.

4) Use the black felt-tip pen to draw the gingerbread person's eyes. The red felt-tip pen can be used to draw a smiling mouth. Use pink to add rosy cheeks onto the gingerbread person's face. Finally, use the green felt-tip pen to add decorative lines to the arms, legs and waist.

5) Glue the three small red pom-poms onto the front of the gingerbread person. These will be the buttons.

6) Spread a line of glue down the middle of the second cardboard tube.

7) Place the gingerbread person over the line of glue and hold it in position until the glue hardens.
