

Dear Parents, carers and children,

As you may know, Friday 8th May was meant to be a huge celebration and Bank Holiday in England, to celebrate 75 years since the end of World War 2! However, thanks to Coronavirus things are a bit different these days! You all know that at Palfrey Junior School we **love** to celebrate, dress up and make learning **fun** – so we are not going to be beaten this time!!!

WE NEED YOU – to make the week which ends with VE day celebrations (4-8 May) memorable for yourselves and your families and would love to see photos of things you have done! I have found lots of lovely activities and power points for you to do each afternoon, so that by Friday 8th May you might feel that you know a little bit more about what we are celebrating. The activities are all being saved on the school website and I think most of them are suitable for all of you, however take a look with your families and you can judge with them which you would like to try (you don't have to do them all!). I would start by looking at a power point or two to get an idea of what you are learning about.

Finally, on Friday 8th May across the country people will be celebrating – so let's join in!! If you have a garden use the party planning power point and sheet to plan a garden party/ picnic with your family – or if you do not have a garden, ask if you can use your living room. Make the bunting, which is on the website, decorate your garden or living room with it, have some sandwiches and cakes and let's all think of each other and be thankful that we are safe and living in a peaceful country. This time will pass and soon we will be together again.

I really hope that you enjoy all of this and that you are staying safe,

See you soon,

Mrs. Quiles (Topic coordinator)

P.S. To be **SUPER** fancy maybe wear your best clothes or red white and blue clothes for your party/ picnic or even dress up 1940's style!!!! We would **LOVE** to see photos!!
