How it works...

Each activity is worth one stamp in your Children's University Passport to Learning, to receive your stamps you must provide evidence that you have completed the activity to your teacher in school. This could be a photograph or a written summary of what you did and the materials you used.

Activity 8 Go Noodle! Get active with Go Noodle https://www.gonoodle.com/	Activity 9 Host a virtual dance party - This is one of the best things to do before bedtime. If you're more into acting than dancing, hold a Hollywood party instead. Why not make rainbow ribbon twirling sticks beforehand so you can dance with them.	Activity 10 Watch a film with the family that you have never seen before https://www.goodtoknow.co.uk/family/50-films-every-child-should-watch-before-16-285735
	Activity 11 Make a film or video Use your iPod or iPhone to make a short film or video. Create a script, do your storyboard and don't forget your director's chair	
Activity 12 Do some brilliant Origami http://www.origami-instructions.com/	Activity 13 Make a marble run https://buggyandbuddy.com/10-awesome-homemade-marble-runs/	Activity 14 Write a letter to a friend, relative or teacher to mail, or start a journal.
