

# Year 3 Rule the School!

**Are you in Year 2 at the moment? Will you be starting at Palfrey Junior School this September? Then this invitation is JUST FOR YOU!**

**On Tuesday 5<sup>th</sup> September 2023 we would like to invite you to come to school in your new uniform, with all your new things. You will meet your new teacher again, work in your new classroom and get to see the whole school. This day is all about YOU and helping you to get to know your new school - in fact, we don't want any other year group to come in that day because you are going to rule the school! You will be kings or queens of the corridors and princesses or princes of the playground! What a start it will be to your new school year! The next day we will have to let the other kids come back though, because they will really want to meet you (and their Mums and Dads will be fed up of them by then too).**

**So don't forget - 8.45 AM on the main playground on Tuesday 5<sup>th</sup> September 2023. Look forward to seeing you then, Your Majesties!**
