

Lunch Time Clubs Spring 2023

These clubs are held in the Community Hub and are led by our Sports Coach Mr Maton.

All children in all year groups get the chance to do a club each week. They sign themselves up at the end of each term for next term's clubs. This means on average that 27 out of 30 children from each class participate in a lunch time club over the week. These clubs are free of charge to the children.
