28th January 2022

Dear Parents/Guardians

Please find attached the full and final report from our Ofsted inspection on the 12th and 13th of January 2022.

The inspection was an extremely positive one that noted the superb behaviour and attitude of the children and the progress that they make here. It recognised the exciting, broad curriculum we offer and how we support and include all pupils, no matter what their ability or background. It also reported that we have high aspirations for our pupils and help them catch up quickly where they have gaps in their knowledge. The Ofsted inspectors were very impressed by how hard the children work in their lessons and how well they spoke about their education.

We are delighted to tell you that Ofsted have now graded Palfrey Junior School as a

Good school overall,

achieving good in all four areas of quality of education, behaviour and attitudes, personal development and leadership and management.

We would like to thank the staff and the wonderful children for all their hard work in helping us to get to this point. We would also like to thank you for all the help that you have given to us as a school and the effort and commitment you put in to supporting your children's education. We are lucky to have such a fantastic school community. We would also like to thank the Governors and Cadmus Family of Schools for their support along the way.

The future is an exciting one and we are looking forward to growing and developing even more as a school and a community.

Once again, many thanks for all your support in helping us to achieve this pleasing result.

A copy of this report will also be placed on the school website. If you would like a printed paper copy, please contact the school office.

Yours sincerely

Cheryl Collis & Emily Kinsey
Heads of School

Angela Hill
