

<p><u>Monday</u></p>	<p><u>Maths</u> Today you will be looking at coins and making given amounts. Complete the worksheet. You can use real coins to help you.</p>	<p><u>Guided Reading</u> Read the text. Underline any vocabulary you do not understand and use a dictionary to find the meaning.</p>	<p><u>Literacy</u> Listen to the story 'The Lighthouse Keeper's Lunch'. Note down any vocabulary you do not understand and have a look at the meaning of those words. Use the link underneath the table to listen to the story.</p>	<p><u>Spellings:</u> On the website - practice them each day. Look up the meaning of any words you do not understand. Choose a few words from the list each day and use them in a sentence.</p>	<p><u>Science</u> This term you are going to be having a look at plants. Create a mind map about everything you know about plants so far. You can add pictures to your work.</p>
<p><u>Tuesday</u></p>	<p><u>Maths</u> Today you are going to be looking at adding and subtracting money. Complete the questions using coins to help you if you need to.</p>	<p><u>Guided Reading</u> Have a look at the questions, underline the important parts of the questions.</p>	<p><u>Literacy</u> Listen to the story again. Complete the book review about the story. Use the extra sheet to help you complete the book review by using the key vocabulary when describing the story and your opinions of the story.</p>		<p><u>RE</u> Read the RE document to find out what you need to do.</p>
<p><u>Wednesday</u></p>	<p><u>Maths</u> Today you will be looking at number bonds to 100. Remember to use your number bonds to 10 to help you.</p>	<p><u>Guided Reading</u> Look at the questions and highlight the answers in the text.</p>			<p><u>French</u> Have a look at the PowerPoint and complete the worksheet. If you can't print the sheet, draw the rainbow and colour it in the correct colours. <u>Computing</u> Complete some of the computing activities on Purple Mash.</p>

<p><u>Thursday</u></p>	<p><u>Maths</u> Today you are going to adding and subtracting 2 digit numbers using partitioning.</p>	<p><u>Guided Reading</u> Using the work you have done on the previous days, answer the questions about the text.</p>	<p><u>Literacy</u> Today you are going to answer questions about the story. Make sure you have listened to the story again and understand what has happened.</p>		<p><u>Topic</u> This term you are going to be learning about the Mediterranean. Create a mind map about everything you know about the Mediterranean so far. If you do not know anything, try and find out 5 facts about the Mediterranean.</p>
<p><u>Friday</u></p>	<p><u>Votes for School</u> Read through the PowerPoint and discuss what you would vote.</p>	<p><u>Maths</u> Today you are going to add three 2 digit numbers using partitioning. This is the same as yesterday however, you will be adding three numbers instead of two. Remember to split the tens and ones exactly the same as yesterday.</p>	<p><u>Literacy</u> Today we will be looking at contractions. You can use apostrophes to show that you have left out some letters when you are joining words together. For example, you can join the words 'you' and 'are' together. You + are = you're. The apostrophe takes the place of the removed letters. Complete the worksheet and try to use a couple of the contractions in your sentences.</p>	<p><u>Spellings</u> Test children on the spellings.</p>	<p><u>Art/DT</u> Print or copy the half of the Picasso face and complete the other half by sketching and colouring it. Remember Picasso style portraits are not symmetrical.</p>
