

<p><u>Monday</u></p>	<p><u>Maths</u> Today you are going to be identifying and describing the properties of 2D shapes.</p>	<p><u>Guided Reading</u> Read the text. Underline any vocabulary you do not understand and use a dictionary to find the meaning.</p>	<p><u>Literacy</u> Today you are going to continue to write the first draft of your non-chronological report. Make sure you used your notes from the previous lesson and you have used the key features in your writing.</p>	<p><u>Spellings:</u> On the website - practice them each day. Look up the meaning of any words you do not understand. Choose a few words from the list each day and use them in a sentence</p>	<p><u>Science</u> Today you are going to complete your fantastic finish. You need to create a PowerPoint or poster about what you have learnt this term about shadows.</p>
<p><u>Tuesday</u></p>	<p><u>Maths</u> Today you are going to be looking at working out the perimeter of shapes. Remember the perimeter is the distance around the outside of the shape.</p>	<p><u>Guided Reading</u> Have a look at the questions, underline the important parts of the questions.</p>	<p><u>Literacy</u> Over the next two days, you are going to edit and improve your work. Make sure you have included all the key features, checked your spellings and included diagrams/photographs. You may want to add in your own information to your report.</p>		<p><u>RE</u> Complete the RE activity.</p>
<p><u>Wednesday</u></p>	<p><u>Maths</u> Today you are going to continue to look at perimeter. However, today you are going to be using a ruler to measure the sides of the shapes.</p>	<p><u>Guided Reading</u> Look at the questions and highlight the answers in the text.</p>			<p><u>Computing</u> Complete the computing activities on Purple Mash.</p>
<p><u>Thursday</u></p>	<p><u>Maths</u> Today you are going to be looking at right angles and turns. Remember what we looked at on Friday, we used a right angle measure to measure right angles.</p>	<p><u>Guided Reading</u> Using the work you have done on the previous days, answer the questions about the text.</p>	<p><u>Literacy</u> Over the next two days you are going to write the final draft of your report.</p>		<p><u>Topic</u> Today you are going to complete your fantastic finish. You can select one of the following things to do:</p>

	You need to remember that a quarter turn is 90° .				<ul style="list-style-type: none"> • Re enact a family fleeing Pompeii/ or diary entry of a family member • Be a newsreader reporting a volcano which has started to erupt/write a newspaper article about it • Be a witness to an eruption and describe what you can see to a reporter/ write a letter to someone about what you saw
<u>Friday</u>	<u>Votes for School</u> Read through the PowerPoint and discuss what you would vote.	<u>Maths</u> Today you are going to be placing 3 digit numbers on a number line.		<u>Spellings</u> Test children on the spellings.	<u>Art</u> Design and create your own periscope. Think carefully about what you may need to make it.
