

Home Learning Timetable Summer 2 (Week 6) (w/c 6th July 2020)

Year 4 Maths addition and Subtraction book can be found in folder - You can complete any extra work in there if you want to challenge yourself)

	<u>Maths</u>	<u>Reading</u>	<u>Writing</u>	<u>Spellings</u>	<u>Topic</u>
<u>Monday</u>	<p>Multiplication and Fractions Revise using the grid method and the ladder method for multiplication. Adding fractions with the same denominator. Activity - Monday Homework sheet Week 29</p>	<p>Bug club - read one of your allocated stories and complete the questions</p>	<p>Holidays - Plan With the 6 weeks holiday coming up, plan a story about a small group of friends going out one day to a special place. (Theme park/ Zoo/ Safari Park/ or somewhere you know about) Think about when we wrote about the trip to the fair in 'Lost or Stolen' in literacy.</p>	<p>Practice Week 11 Each spelling has been put into a sentence to help you understand the word.</p>	<p>Assessment Purple Mash activity Title: Electric or not Place the objects in the correct box. If you don't get them all right have another go.</p>
<u>Tuesday</u>	<p>15 minutes TT Rockstars Then: From the Year 4 Maths addition and Subtraction book, do page 3 - Large numbers addition. EXTN (Top Group) Page 4 - working out the missing digits for the calculation to be correct.</p>	<p>David Walliams Some of you may have heard about some of the books David has written.. Activity: Read about him and answer the questions. Choose your level * easy, ** medium, *** hard</p>	<p>Punctuating speech Watch the Tuesday power point, and then put the inverted commas in the sentences. Ask an adult to check your answers using the answer sheet.</p>	<p>Spellings Week 11</p>	<p>Assessment Purple Mash activity Title: Vertebrates and Invertebrates. Group the animals to whether they are vertebrates or invertebrates (backbone or not).</p>
<u>Wednesday</u>	<p>Addition Pyramids From the Year 4 Maths addition and Subtraction book, Look at the pyramid. The numbers on the bottom line add up to give the second line numbers. Then these two numbers added together give the top answer. (pg 5,6,7)</p>	<p>Bug club - read one of your allocated stories and complete the questions</p>	<p>Creative writing - First draft Using your plan from Monday, write your first draft of the story. Make it interesting, try to include dialogue (speech).</p>	<p>Spellings Week 11</p>	<p>Assessment Purple Mash activity Title: Water uses - Write down all the ways in which we use water. Use the pictures as a guide.</p>

Home Learning Timetable Summer 2 (Week 6) (w/c 6th July 2020)

Year 4 Maths addition and Subtraction book can be found in folder - You can complete any extra work in there if you want to challenge yourself)

	<p>1)</p>  <p>Example:</p> <p>150 80 + 70 50 + 30 + 40</p> <p>Worksheet 1 = easy, 2 + medium, 3 = hard</p>
